We want to thank you most sincerely for all your kind and sensitive expressions of sorrow on the abrupt passing of our son and brother Chris. Your very generous donations to ourselves and Hellspring London, a cancer support centre, will be put to very good use and are sincerely appreciated.

On the day of his memorial service, we were overwhelmed by the attendance of all Chris' Union Brothers. It was very difficult to take in the fact of his fatal accident, but seeing how much he was honored by all of you made us feel so comforted. Your Brotherly strength and solidarity came through loud and clear and helped us to "stay centered" while we did what was necessary.
